REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: none of the cited prior art show an improved triangle management in triangle meshes based on a tri-edge structure having a first data field identifying a set of three vertices for the triangle and a second data field identifying a set of three edges each corresponds to one of the three vertices, wherein each of the three edges is derived from the first data field by determining the next edge that is encountered when performing a traversal about the corresponding vertex identified in the first data field as now claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. **Any response to this final action should be mailed to:**
